♪ **YES FAN CONVENTIONS, A BRIEF HISTORY:**

In 1985 Lisa Mikita joined forces with Tanya Coad and Sue Smith, editors of *Relayer Magazine*, to produce **YesCon '85**. Sadly, *Relayer* folded following this convention, but in 1987 Lisa, Tanya, and Sue produced another convention, **YesCon '87**. Both conventions featured live telephone interviews with, and impromptu performances by, numerous band members. Special guest **Dan Hedges**, author of the biography *Yes*, attended **YesCon '85**. **YesCon '87** saw the debut of Doug & Glenn Gottlieb's *Yes Magazine*, and they are excited to be a co-sponsor of this year's convention.

In 1991 Lisa worked with Christine Holz and Suzanne Cerquone, editors of *Wonderous Stories*, to produce **YesFest '91**. With the band touring in support of *Union*, band members appeared and played at the convention in person.

**Yestival '94** follows in the footsteps of those successful conventions. Thank you for being a part of history. Welcome to Yestival.
